BOYS & GIRLS CLUBS
 OF METRO ATLANTA

The girl-only programs at the Club have taught me how to communicate and collaborate with other young women. I have learned to respect myself and my body. It has been an amazing experience—one I would have not have received if it wasn't for these programs!

THE YOUNG WOMEN OF METRO ATLANTA NEED YOUR HELP

We want our daughters and granddaughters to succeed in life... to go beyond what we've achieved to places we can't yet imagine. And with the tools, resources and encouragement they have access to, our hope is likely within reason. For many other young girls in Atlanta, the road is rockier and the path more difficult to navigate. These young women are caught in a desperate cycle of poverty, born to teenage mothers who didn't finish high school and can't make ends meet. Without help, they may also follow in their mothers' footsteps.

In Georgia, which has the 3rd lowest graduation rate in the country, 44 teenage girls become mothers daily and 43% of female-headed households live in poverty. While these statistics are jarring, there is a way to help. By becoming a member of the Circle of Giving, you can change these odds. You can give hope and opportunity to girls born into the cycle of poverty and help them break out to a future of success.

Membership Levels

Women's Giving Circle Members are leaders whose annual gifts of \$1,000 or higher have a direct impact on the future success of our girls. Your investment today supports collaborative development efforts that address critical needs of youth in our communities.

WHAT PROGRAMS WILL YOUR GIFT SUPPORT?

Your gift supports the more than 1,500 young girls who walk through our Clubs daily. Because of you, they will have access to programs focused on building character and leadership, encouraging healthy habits and choices and fostering academic success. Your investment also supports our female-focused programs, like Global Girl, that teach young women the power of their voice and empower them to reach their potential, in the community and beyond.

WHAT NETWORKING OPPORTUNITIES ARE AVAILABLE?

Each year, Women's Giving Circle hosts events meant to Educate, Engage and Inspire. As a Women's Giving Circle member, you will be the first to hear about these opportunities and receive exclusive access to guest speakers and discounted tickets.

CAN THE MEMBERSHIP COST BE BROKEN DOWN INTO SMALLER PAYMENTS?

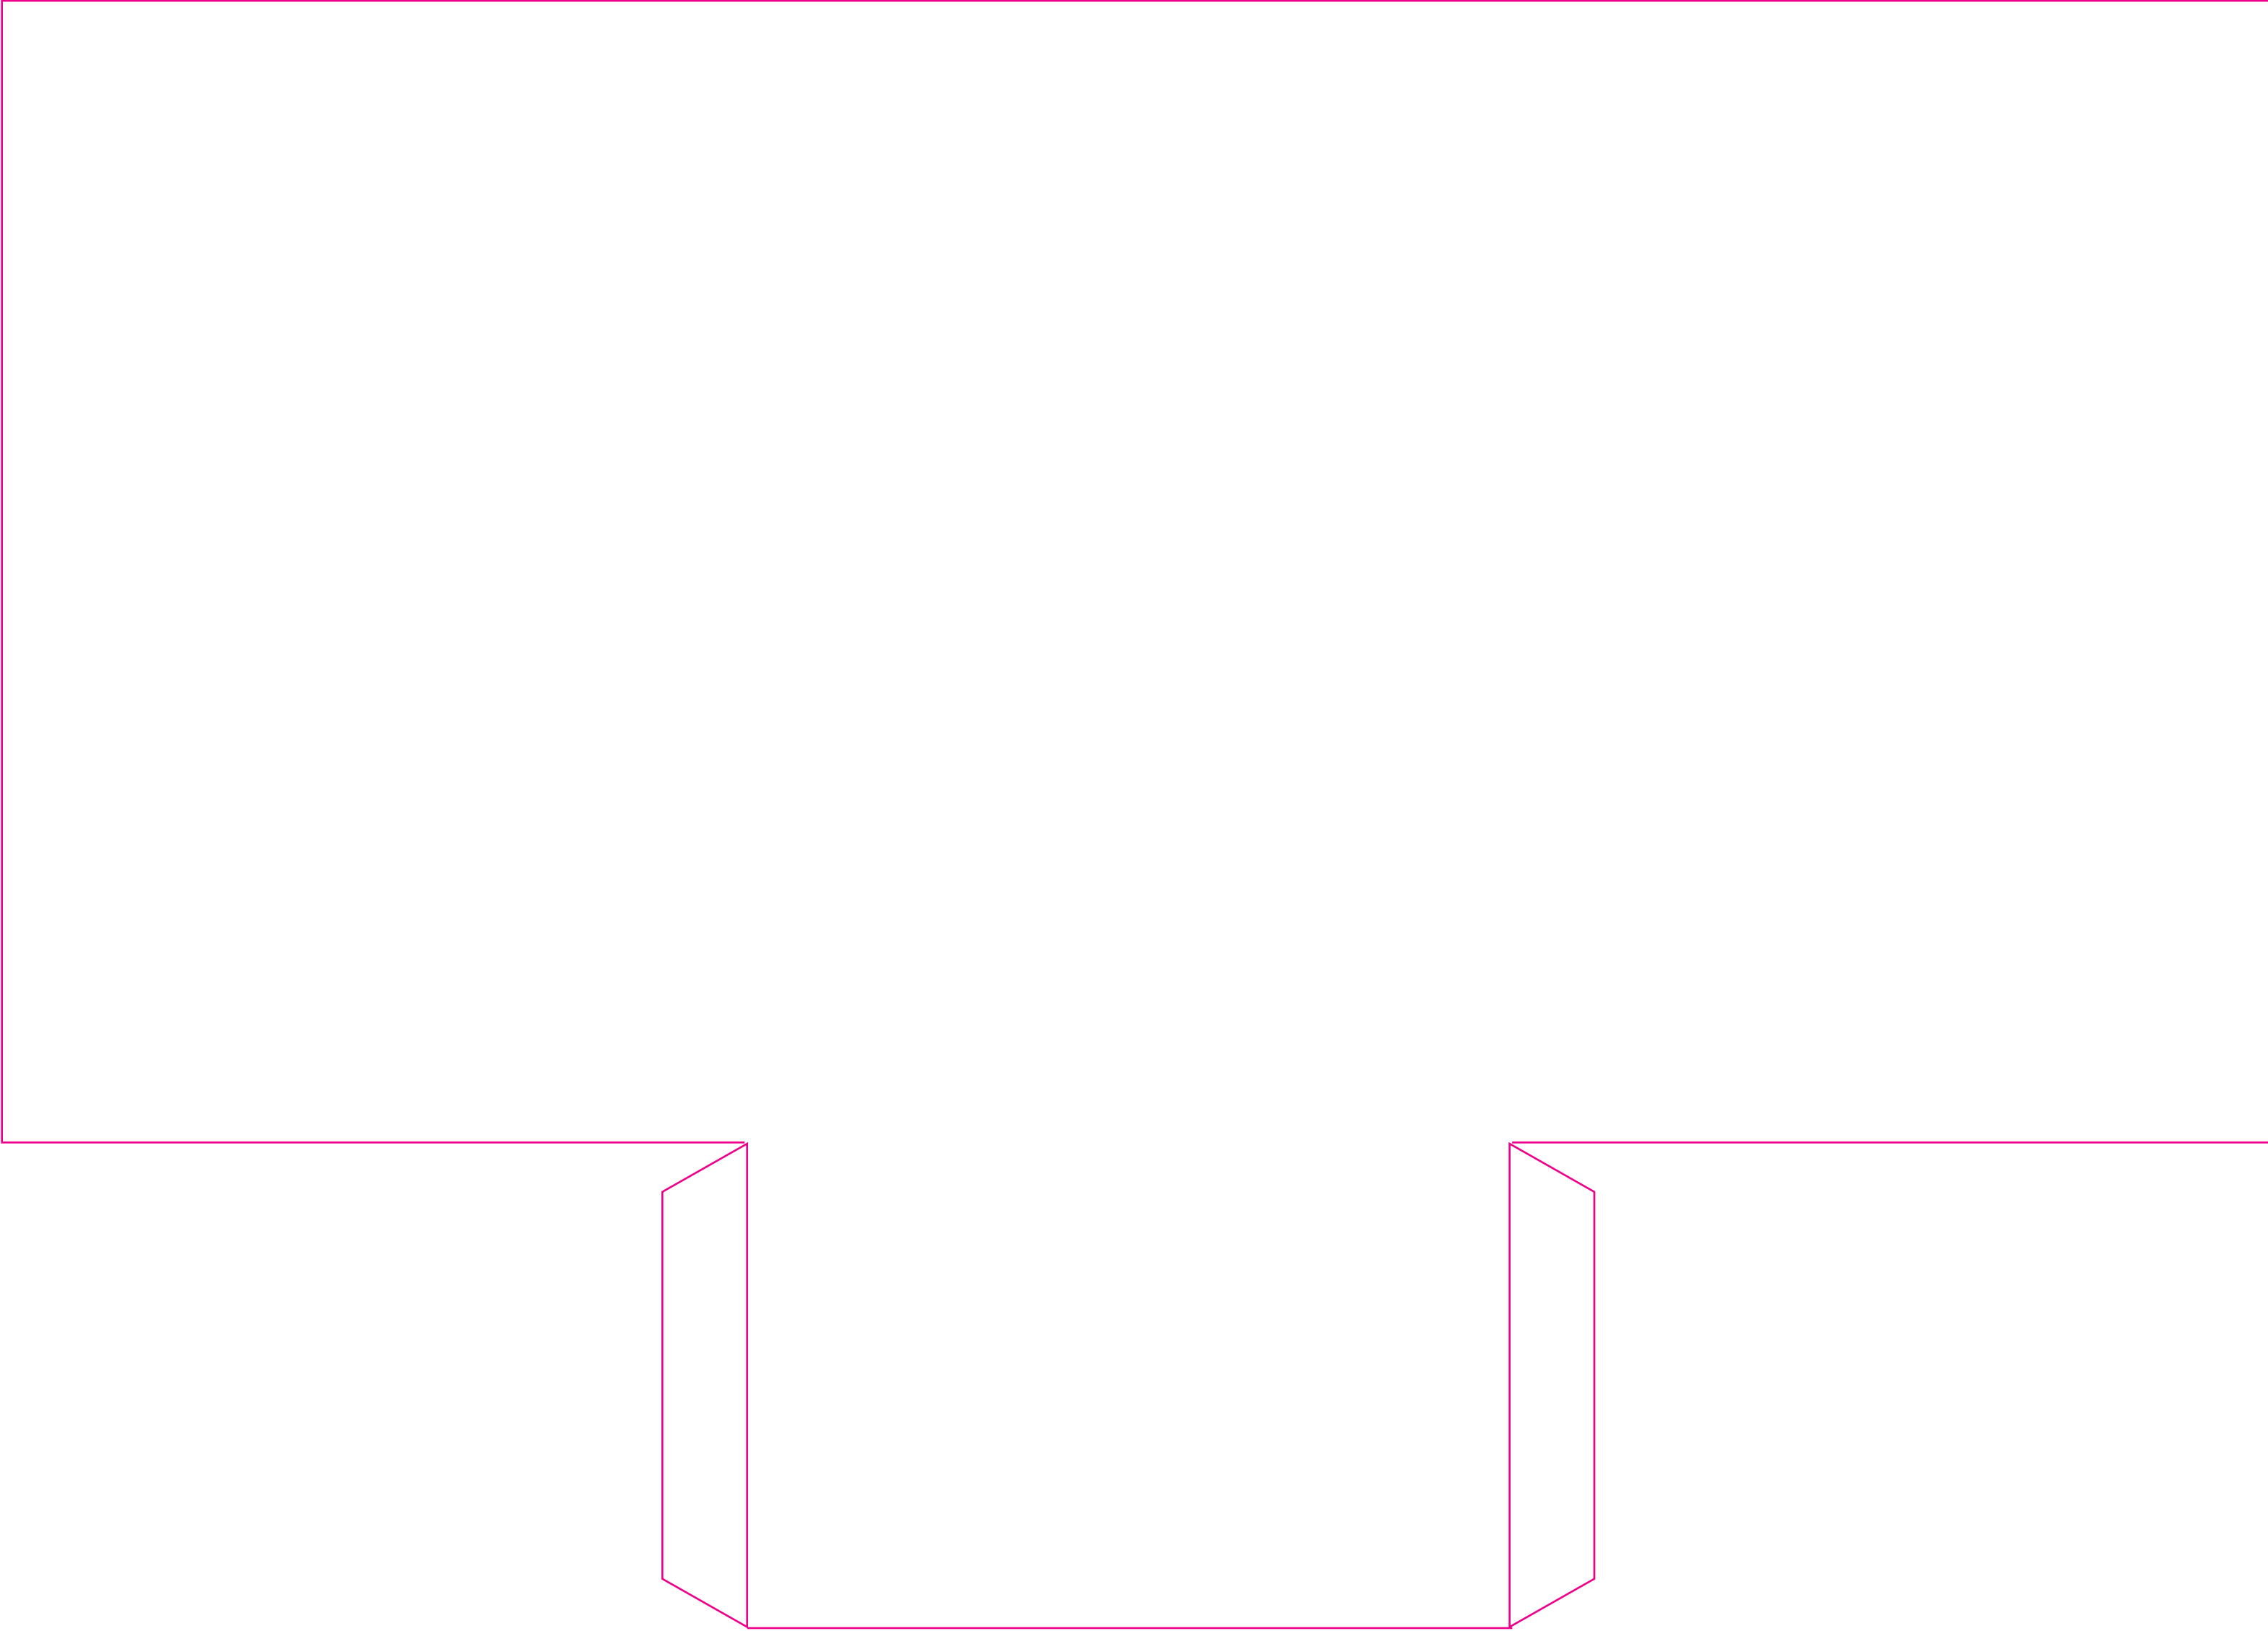

Of course! You can pay on a weekly, monthly, bi-monthly, quarterly or annual basis. We just ask that you give your entire gift during the calendar year.

HOW DOES MEMBERSHIP IN THIS PROGRAM TIE INTO OTHER VOLUNTEER OPPORTUNITIES WITH BOYS & GIRLS CLUBS OF METRO ATLANTA?

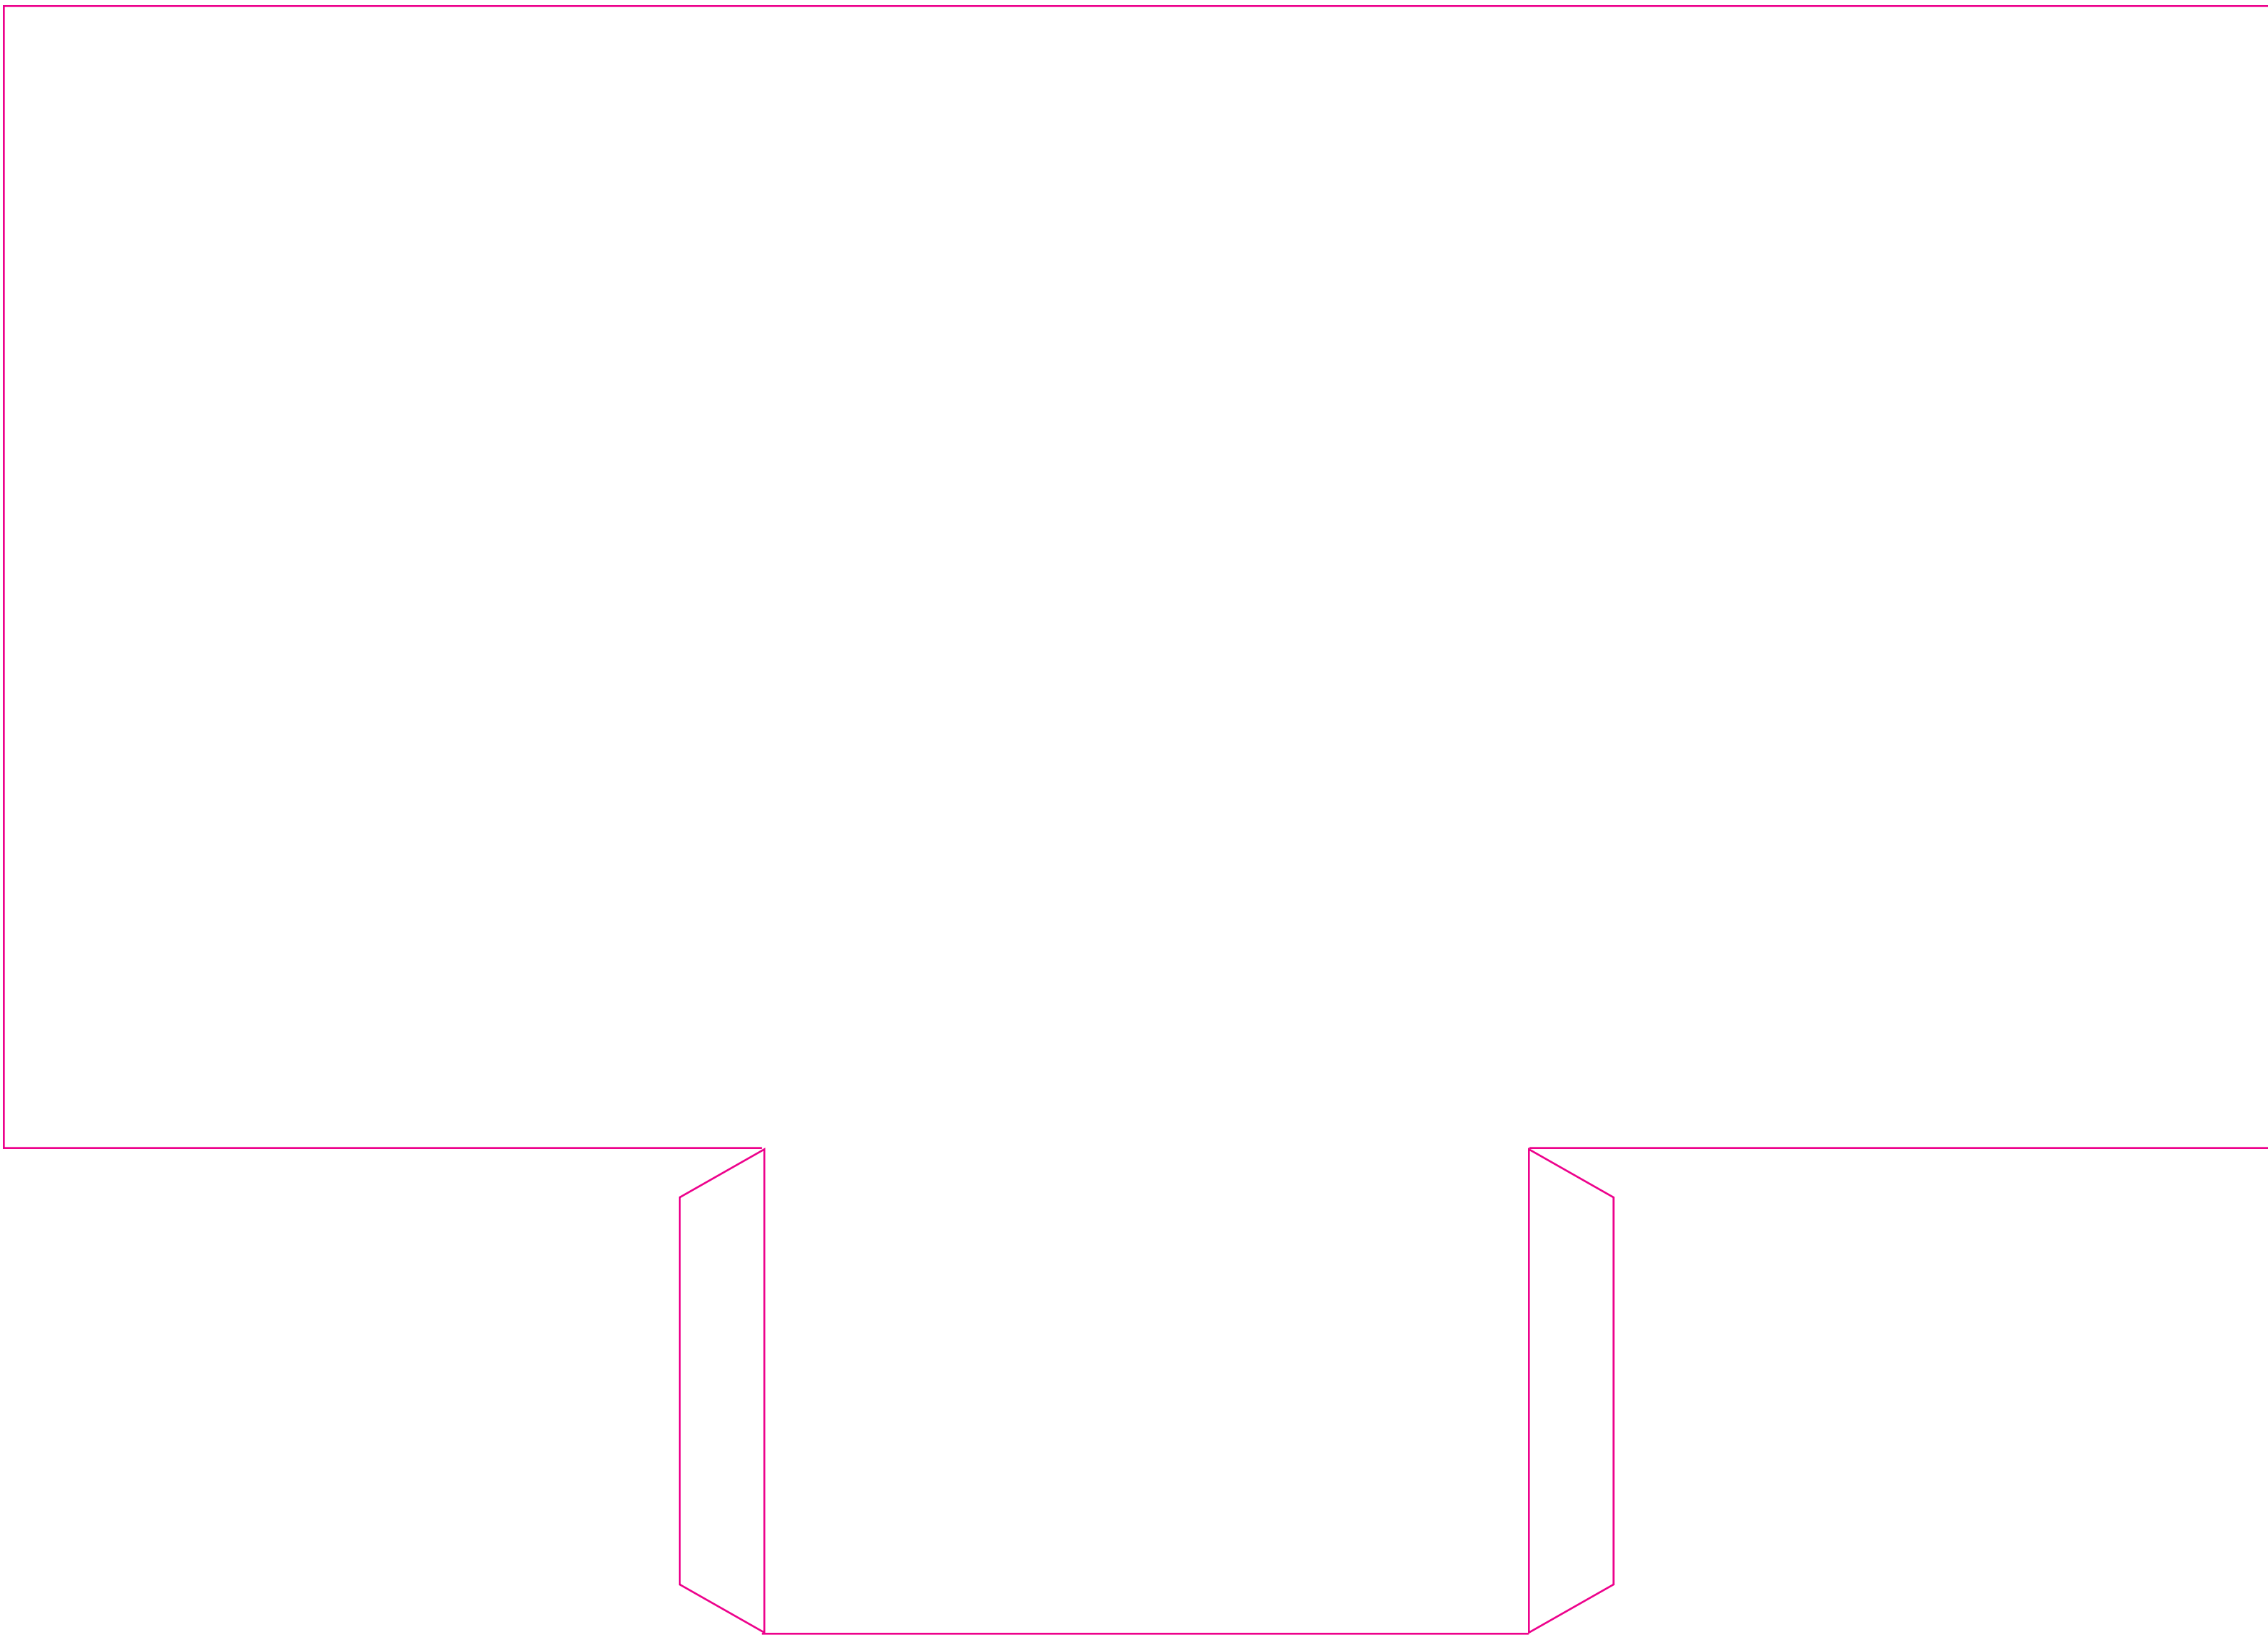

Women's Giving Circle members are invited to participate in all volunteer activities, but the Circle provides exclusive opportunities for members.

WHAT IS A TYPICAL WOMEN'S GIVING CIRCLE MEMBER LIKE?

Members are females in Atlanta who have a passion for empowering young girls, particularly those from limiting circumstances, and can make a financial commitment to support the effort. Women bring experience and insight from a variety of backgrounds including corporate, academic, civic and government sectors. Most Women's Giving Circle members are between 35-55 years old.
